Your clone is the result of your nucleus being placed into a foreign egg cell and the foreign cytoplasm in that egg cell will surely have an effect on the development of the clone. The egg will have to be implanted into a foreign womb and that, too, will have an influence on the development of the organism..When he was at bay, he fought hard. I gave the beast's liver and heart to my dogs. But this I saved for."You must show how clever you are," said Lea. "When I was free of this mirror, my teacher, in order to see how well I had learned my lessons, asked me three questions. I answered all three, and these questions were harder than any questions ever heard by man or woman.
