"My third announcement is that tonight does not mark my retirement from professional life after all. I have accepted an invitation from the President to take charge of the Starhaven project on behalf of the United States as the senior member nation, and I am relinquishing my position with NASDO purely in order to give undivided attention to my new responsibilities. For those who might believe that I've given them some hard times in the past, I have to say with insincere apologies that I'm going to be around for some time longer yet, and that before this project is through the times are going to get a lot harder.".Now Amos looked over his shoulder too and saw that the white disk was going slowly down.."Calm yourself, senior. The humor seems infantile and unimaginative to you; you are not interested in the actresses' occasional seminudity.
